Shaping young minds and souls.

Agape Christian Academy

Featured Speaker

George Barna

Executive Director
American Culture and Faith Institute

Our worldview is the filter through which we make sense of the world and shape our decisions. Everyone has one, but shockingly few Americans still have a Biblical worldview. George Barna will share the findings from his latest research showing Christians are losing ground as families allow the culture to shape the worldview of the next generation.

Barna is frequently cited as an authoritative source by the media. He has been hailed as “the most quoted person in the Christian Church today” and has been named by various media as one of the nation’s most influential Christian leaders. He is Executive Director of the American Culture and Faith Institute conducting research on worldview, cultural transformation and politics. Previously he founded the Barna Research Group and helped it become a leading marketing research firm focused on the intersection of faith and culture. He also provided research and strategy for thousands of parachurch ministries, churches, military, and non-profit organizations.

Evening Schedule:

The evening begins at 6:30 and includes

- Dinner
- Remarks by Agape Board Chair, Russ Gifford
- Featured speaker, George Barna
- An opportunity to make a financial gift to Agape

About Agape Christian Academy

Each day the news brings us another example of how the world is shutting God out of our lives and particularly our schools — whether it’s a conversation about the Pledge of Allegiance, the denial of an intelligent designer or a school Christmas program without mention of Christ.

Agape opened its doors in 2005 in Burton serving 10 students from eight families. Today, the school serves more than 225 students in Preschool through High School with two campuses – one in Burton and one in Troy. It is our mission to partner with the home and church to provide each student with a Christ-centered, quality education that will equip them to fulfill the purpose God has for their lives.

We are a non-chartered, non-tax supported school. Our funding comes from tuition, private gifts and fundraisers such as this event. Agape is a 501(c)3 not-for-profit organization.
