

## 2018-2019 School Supply List for Children at Love & Hope Children's Home

Agape Christian Academy partners with Love & Hope Children's Home in El Salvador. It is a Christian home which houses 19 children ages Preschool through High School. The staff provides a safe, loving environment for children who cannot live with their parents due to severe poverty, abuse, neglect, or drug and alcohol addictions. The school year for children in El Salvador will begin in January. We are asking families to consider purchasing some of the needed school supplies now, when so many of them are available at deep discount prices. You can bring the Love and Hope school supplies to either campus during the summer, to your campus' back to school event, or to either campus during the first week of school. Providing their school supplies is one way we can demonstrate the love of Christ to the children and staff at Love & Hope.
