

School Pictures Coming Up – Thursday, October 18 thru Monday, October 22

Amanda Scott of New Direction Photography will be taking school pictures at both campuses this year. Picture order forms came home today with your newsletter, and there should be one for each child. New Direction is a local photography company that has been in business since 2009. Clients include Emeth Gymnastics, Bainbridge Christian Preschool and the Great Geauga County Fair. They will also be taking our sports team and individual photos throughout the school year with volleyball and soccer photos scheduled for October 25 after school. The school interviewed five photographers over the summer before selecting New Direction as our School Photographer for the 2018-2019 school year. Order sheets and payment must be received prior to or on picture day. The schedule below shows which day your students are scheduled for photos. A class picture will be taken for each class and you have the option to have individual pictures taken of your child. We provide this opportunity as a service to your family; you are not required to purchase any of the photos. Students should wear their school uniforms for picture day. If for any reason you do not want your child in a class picture, please let us know before picture day. If you would like your child to wear non-uniform clothing for their individual photo, please send us a note. They still need to wear their uniform that day and will be given the opportunity to change for the individual photo; they must wear their school uniform for the class photo.
