

School and Fall Sports Pictures Coming Up – October 20, 21 and 23

It's time for school pictures. The schedule below shows which day your students are scheduled for photos. A class picture will be taken for each class and you have the option to have individual pictures taken of your child. This year we are planning on taking our class pictures outdoors and spacing students so they are six feet apart. It will make for a unique keepsake. We provide this opportunity for school pictures as a service to your family; you are not required to purchase any of the photos. Students should wear their school uniforms for picture day. If you do not want your child in a class picture, please let us know before picture day. If you would like your child to wear non-uniform clothing for their individual school photo, please send us a note. They still need to wear their uniform that day and will be given the opportunity to change for the individual photo; they must wear their school uniform for the class photo. Our Volleyball and Soccer players need to bring their uniforms to school on the Troy Campus picture day – October 21 for their team photos even if your family is not planning on purchasing sports photos. Each student will be receiving a picture form prior to picture days. Volleyball and Soccer players will be receiving an additional form for sports photos.
