

**Available Teaching Position
2021-2022 School Year
Agape Christian Academy - Troy Campus**

Position: High School/Middle School Science Teacher: Full- or Part-Time Position

Job Description:

Agape Christian Academy works together with the home and church to provide each student with a Christ-centered, quality education that will enable them to be a transforming influence in their world. We are in search of a Science Teacher who loves the Lord and children. This teacher will be responsible for High School and Middle School Science instruction. The class sizes are small which allows the teacher to build relationships with the students and their families; it also allows for individualized attention. This teacher is responsible for the planning, preparation and teaching of the class as well as designing Science labs to allow for hands on learning opportunities. Christian curriculum and text books are utilized that assist the teacher in integrating a Biblical worldview throughout their teaching and disciple their students in their walk with the Lord. Candidates must have a good understanding of how God's word presents the creation of the earth, heavens, animals and humans. This teacher will also be asked to utilize materials from Answers in Genesis and other well-known resources to equip students with an apologetics approach to Science, teaching them to integrate scientific knowledge with their Biblical knowledge. Be part of a teaching team that is making a difference in the lives of children for eternity.

Position Qualifications:

The successful candidate must love children and the Lord. They should have earned a degree in Secondary Education or Middle Childhood Education with a Science Concentration or a Degree in a Science-related field.

Salary/Wages and Benefits: The school offers a competitive wage for a Christian school environment along with tuition reimbursement, training opportunities, and health care and retirement benefits.
